"We are committed to looking out for each other".

Dear Community Member or Business Owner,

The projected build date for the "Laugh and Play" playground to be located on the corner of East Third and Walnut Streets in Oil City is June 19, 2010. The "Laugh and Play" name was the idea of a young student who along with other students entered our "Name the Park" contest. The children are getting very excited about having a local playground to play in. Many people are striving very hard to make this happen; however, the date is fast approaching, and although we have the funds to put in the equipment, there are still some amenities that we need to obtain.

The children of our community are important to all our neighborhoods. Our goal is to establish a safe and accessible place for children who live in the East End of the city to play. We are working cooperatively with Bridge Builders Community Foundations, the Oil City Redevelopment Authority, and the City of Oil City on this project.

Please consider a donation to make this initiative a success. By working together, we can make this playground a reality.

Please make checks payable to:

Bridge Builders Community Foundations

and mail to: Southside Neighborhood Association
P.O. Box 805, Oil City, PA 16301

If you have any questions, you can call Leah at 814-676-9505 or email the Southside Neighborhood Association at southsideassociation@yahoo.com.

Thank you.
